HIDDEN VENT SYSTEM

WHY DOES VENTILATION MATTER?

Ventilation protects your home from heat and moisture buildup and keeps fresh air moving. Sturdy and well-built, Ply Gem® vents and soffits are specially engineered to deter insects, birds and other animals.

- Clear span design with few visible vents
- Superior locking system stays secure under pressure
- Rollover nail hem provides 160 mph windload
- Invisibly ventilates entire soffit area
- Helps keep home cooler in summer
- Helps save money on utility bills
- Helps avoid mold and mildew damage related to moisture condensation
